Whether you plan to compete in agility, obedience, field, tracking, herding, etc... this seminar will provide you with fun activities and exercises that will not only prevent injury, but will improve your future athlete's performance!

At this hands-on seminar we will:

- * Review structure to identify potential areas of weakness
- * Teach exercises to strengthen and protect these areas
- * Provide fun activities that will improve your puppy's body awareness, balance and proprioception and safely strengthen core muscles
